Help Us to Choose Shingles for St James Church Roof

As part of the ongoing maintenance of St. James Church, we will be re-shingling the roof. The roofing company has provided several sample shingle colours for us to choose from. We invite you to indicate your preferred shingle colour using the sticky notes provided. The sample shingle colours will be displayed at the back of the church on Sunday, September 6 and Sunday, September 13. Please take a moment on either of these Sundays to make your selection.
